

## 2019 MIACADA Advising Awards Program

The Michigan ACademic ADvising Association (MIACADA) is pleased to offer the Outstanding Academic Advisor Awards for 2019. These awards are designed to honor individuals and institutions within Michigan making significant contributions to the improvement of academic advising.

### Reward Systems

Many institutions of higher education have few effective systems in place for the evaluation of academic advising, and little reward or recognition is attached to its successful delivery. MIACADA believes that good advising, like good teaching, publication and research, should be recognized.

### Our Goal

The goal of the MIACADA Advising Awards Program is to encourage support and recognition for academic advising in Michigan colleges and universities by providing an opportunity for recognition of outstanding advising.

### Awards Deadlines

The deadline for the receipt of nomination materials is **February 1, 2019**

### Awards Presentation

All awards are presented at the 2019 NACADA Region 5 conference held Wednesday, March 13-15th, 2019 at The Renaissance Center in Detroit, Michigan. The selection committee reserves the right to make no awards in a certain category. Preference will be given to completed application packets.
